The Salvation Army, an international movement, is an evangelical part of the universal Christian Church. The message of The Salvation Army is based upon the Bible. Its ministry is motivated by love for God. The mission of The Salvation Army is both spiritual and practical: Preaching the Gospel of Jesus Christ; transforming lives through the power of the Holy Spirit; caring for people in God's name; and meeting human needs without discrimination.

MISSION

Territorial Commander's Message

Dear Friends,

In line with our mission, The Salvation Army in Malaysia has been caring for the needy with passion and determination for the past 77 years. We have continued to build on our work and our vision of a world where human needs are met without discrimination. As we continue our efforts we are committing ourselves to help and to serve others. It is only fitting that our theme reflects that we are -

Committed to be there for You!

At the heart of our work and commitment is our love for God. In response to God's love for us we love and care for others. Motivated by God's love, we will seek to provide a holistic support for our beneficiaries and to not only address their physical needs but emotional and spiritual needs as well.

Our mission connects with many vulnerable and needy people in the Malaysian communities and we are pleased that our work continues to aid many of those who are less fortunate than us. It is our imperative to assist them the best we can with care and compassion. Our work would not be as effective without your financial and voluntary support!

We send our most heartfelt appreciation and admiration to you for your trust and dedication in supporting our work. We look forward to working with you - our colleagues, supporters and donors - to continue our efforts in reaching out to those in greatest need and making a positive difference in people's lives.

With every blessing.

Colonel Lyndon Buckingham
Territorial Commander
The Salvation Army
Singapore, Malaysia & Myanmar Territory

KEY HIGHLIGHTS

September 2014

Bintulu Charity Sale

On 1 September, The Salvation Army in Bintulu organised a charity sale, opening a total of 18 stalls selling food, toys and other merchandise. The representative for the Guest of Honour was Mr Zaiedy who attended on behalf of Member of Parliament, YB Dato' Seri Tiong King Sing as he was unfortunately engaged at other official Government functions.

Major Mary Ng welcomed everyone present to the event and thanked them for their support especially the stallholders and volunteers for taking the time to help The Army at the sale. Together, The Salvation Army Bintulu Corps and Community Services raised a significant amount from donations given by companies and individuals including the sale of coupons and foodstuff.

October 2014

Ipoh Open Day

Our Ipoh Corps and Centres held their annual Open Day at the Ipoh Children's Home on 11 October. The event was a great success and attracted large crowds supporting over 80 stalls that were put up by the Centre and their volunteers.

Territorial leaders Colonels Lyndon Buckingham and Bronwyn Buckingham were in attendance and supported the local team as they hosted the many hundreds of visitors. Special guests included the Perak State Director for Social Welfare, Dato' Chong Phaik Kee who gave a speech during the opening ceremony and praised the work of The Salvation Army in Ipoh. Children from the Homes put on a special dance performance which was warmly appreciated by the guests.

Penang Open Day

18 October was a fun-filled day in Logan Road as the Penang Children's Home held their Open Day to raise money to help fund their charity work. A number of 52 sponsors had come forward this year of which 41 of them had set up their stalls at the event. Guests enjoyed the wide array of food prepared that day which included curry mee, char koay teow, Penang laksa, nasi lemak, satay, ais kacang and many more. The event managed to draw a big crowd not only with their mouth-watering food but also with their great entertainment. There was a live band, several dance performances, even clowns to entertain the children. State Local Government and Traffic Management Committee Chairman, YB Tuan Chow Kon Yeow was also present to support the event.

November 2014

Old and New Books Print Campaign

In this outdoor campaign by Dentsu Utama Kuala Lumpur, posters were placed in public places to create awareness of the needs of underprivileged children. The posters aimed to encourage the public to donate their old and unwanted books to The Salvation Army. The concept of the stunning artwork design is that our old books would become new books for the children.

December 2014

Melaka Charity Dinner

The Melaka Charity Dinner that was held on 5 December was an immense success. The organisers are very thankful and grateful that the event managed to raise a significant amount of funds with promises of yet more donations to come.

There were many different presentations including those from Melaka, Batang Melaka, and Melaka Eratchippu Corps with the support of the children from the Lighthouse Children's Home and Hopehaven. The Chief Secretary, Lieutenant-Colonel Leopoldo Posadas was the special guest for this event and gave a speech, reminding the congregation that Jesus is the Gift of Hope.

Smiles Never Go Out Of Fashion Campaign

Pictures do paint a thousand words. When viewed closely, sleeves of the clothing in this poster portray smiling faces representing the happy smiles of those who benefit from the services of The Salvation Army's Family Thrift Stores. This compelling artwork by BBDO and Proximity Malaysia was designed to encourage donations of second-hand clothing to The Salvation Army. Around the world, The Army has been known for their Family Thrift Stores providing pre-loved items at incredibly low prices. Funds collected goes to support the work of The Salvation Army.

Emergency Flood Relief 2014

Heavy seasonal rains and strong winds caused devastating floods in the East Coast of Peninsular Malaysia in late December.

On 26 December, Major Tan Guat Hai, our Kuala Lumpur team leader headed the emergency relief response in Mentakab, Temerloh and Kuala Krau in Pahang with the help of a very resourceful and strong supporter of The Army, Mr Stanley Yeong. They were also assisted by the local firemen in Mentakab and other agencies who were very helpful and efficient to aid in the mission. Emergency supplies were transported, packed and delivered by boats available to The Army for areas cut off by the floods. The distribution of essentials consisted of 600 bags of rice, 159 cartons of noodles, 300 kg of vegetables, 550 boxes of bottled drinking water, canned food, oil and other necessities.

Together with the enormous support from the public and the extreme hard work from the volunteers, The Salvation Army managed to help approximately 1128 families affected by the floods in that area.

"We did not look for fame or publicity but we worked with the locals to reach out to flood victims trapped without access to basic necessities. Our love transformed into action; Heart to God, Hand to Man."

– Jenny Lim,
Salvation Army church member volunteer

SOCIAL & COMMUNITY

Serving From Our Hearts

Financial problems can affect people from all walks of life. To respond to this need, The Salvation Army has established a network of community services at each of our Corps in Malaysia to provide practical assistance to people who are struggling to make ends meet. Over the years, we have helped and supported families experiencing unemployment, single parents who are unable to care for their children and families who have low income wages and are living life on the edge financially.

Our main programme is the food parcel distribution service. We do whatever we can to reach anyone who needs us. The Salvation Army believes everyone has the right to dignity, and we offer our services and programs without discrimination, based only on the need of the person and our ability to provide.

Refugee Help Centre

One of our newer services to the community is our Refugee Help Centre which started in July 2011. Here, we have two main programmes: the Recycling Programme and the Food Parcel Service.

Partnered with UNHCR, The Salvation Army agreed to step in to assist these newcomers as they face obstacles that prevented societal integration including language, culture and

legal barriers. Our Recycling Programme gives refugees access to affordable clothing and household items. On the other hand, our Food Parcel Service helps families who are struggling to put food on the table.

Presently, we are able to assist approximately 50 families each month. Each family has an average of 4 members but can go up to 9! Many of the refugees who approach The Salvation Army for help come from very tragic backgrounds. Unfortunately, we are not able to help all of them at once due to our very limited resources.

Our goal is to help more families cope with the struggles of living in a foreign land, caring for their young children and at the same time teach them to be self-supporting.

Our Story

She may be in her 70's but that does not stop Madam Ngoh* from taking care of her family. Without a husband or family to support her, Madam Ngoh has been raising her disabled son, Ah Chee* by herself. All they have to their name is a dilapidated wooden house which they call home. A few years ago, Lieutenant Andrew Lo heard of Madam Ngoh and her son through the grapevine and decided to give them a visit. The Salvation Army has been providing support to them ever since. Once a month, Captain Anthony Yong visits Madam Ngoh and Ah Chee bringing food parcels containing rice, oil, canned food, salt & sugar and the like. Each visit, Captain Anthony takes some time to stay and chat with them and also provide counseling when needed. Madam Ngoh always greets Captain Anthony with a big smile not only because The Salvation Army brings her hope and lightens her burdens of surviving the month but because she knows its officers are there for her.

OUR CHILDREN

The Salvation Army has a long standing history of working with vulnerable children and struggling families in Malaysia. Presently, The Army has six residential children's homes, a centre for special children and three kindergartens.

Our homes are dedicated to providing a safe and nurturing environment that improves lives and empowers underprivileged children. With roots that can be traced back to the 1930's, we have been providing a safe haven for children who have suffered abuse, neglect or abandonment.

One of the key factors in caring for children in The Salvation Army homes is building their confidence and helping them learn to socialize. Our children's homes have ample space that caters to outdoor activities and sports for the children. At the same time, our experienced superintendents teach them responsibilities and ensure that the children do not neglect their studies.

Through the generosity of committed supporters, we are able to continue to provide a comfortable home, balanced and nutritional meals, clothing and enrichment activities in a clean, nurturing environment.

Ipoh Children's Home

Some of our beneficiaries also demonstrate intellectual potential by entering science and robotic competitions

Superintendent, Sister Elena Wong together with the beneficiaries of our Children's Home in Ipoh.

The children's playground here keeps our beneficiaries happy, healthy and active.

Being an international movement, The Salvation Army has volunteers from overseas travelling to spend time and plan activities with our beneficiaries during their school holidays.

Greg M Volunteer

“Over the past 12 years, I have met and made many friends and find it a privilege to support the Army’s work in Malaysia. Each trip I have made to Malaysia to volunteer for The Salvation Army has given me amazing experiences. Some of the highlights were spending Christmas in the Boys Home in Penang and Kuching.”

Hopehaven Centre for Special Children

Hopehaven Centre continues to provide specialized care and training for children and young adults with disabilities such as Down’s syndrome, Autism and Cerebral Palsy. Early intervention programmes help younger children particularly with behavioural skills. Young adults receive skill training through a variety of workshops and outdoor activities.

Now in its 37 year of operation, Hopehaven Centre has given hope to many hundreds of special children and their families. Staff development and training are important factors and The Salvation Army continues to look for opportunities for improving teaching skills and methods.

A special sensory room was sponsored by Ronald McDonald House Charities Malaysia and it provides a unique teaching method whereby children explore a variety of lights and sounds. This particularly helps the younger children with their fine motor skills such as grasping, balancing and movement control.

The training workshops for young adults include learning how to use sewing machines, patchwork and quilt-making. The young people also develop basic living skills such as cooking, cleaning and personal hygiene. Although not everyone will be lucky enough to find employment, their skills learned will help them to make significant contributions at home with their families.

Major Kamala and our beneficiaries celebrating a birthday.

Our beneficiaries in Penang Boy's Home along with Lieutenants Andrew Lo and Fiona Loh.

RIDING LIKE THE WIND

Noel Lim

Since his early childhood, Noel was raised within The Salvation Army Boy's Home in Kuching. He had always displayed his potential and love for sports while growing up, playing all kinds of games with the other residents at the Home. Noel was an energetic young boy and it was Major Francis Ng who quickly discovered that cycling provided a positive outlet for his youthful energy. Noel fell in love with cycling and would look forward to every evening when Major Francis would take him and a few other boys out for a ride in the park and around town.

By his late teens, Noel was already riding with Sarawak's top team, Team Corbusier. He has many a times proven his caliber in cycling competitions. Noel has ridden alongside Corbusier's highly-rated Garry Tay and has also been reported as a "fast-improving" rider. At 18 years old, Noel left Kuching with the State Cycling Team and headed for West Malaysia to undergo intensive training for the National Games (SUKMA). There, he went through a challenging three month stint which was formulated to help the cyclists adapt to the actual conditions of the tracks. Their performance in the training reflected the state's commitment to do well in the games.

Pride of The Salvation Army, Noel is a strong and committed person and we believe that he will continue to accomplish a lot more in the future.

HOME FOR THE ELDERLY

Homes for the Elderly

The Salvation Army operates two residential homes for elderly people in Malaysia. Both Homes offer day care services for old folks who are unable to take care of themselves while their family members are at work. However, due to lack of manpower and resources, The Salvation Army is only able to accept a limited number of elderlies in their daycare programme. For the same reason, we also may not be able to take care of old folks with special needs or attention.

Perak Home for the Aged

Perak Home currently accommodates 50 elderly residents and is managed by Sister Joon Moi Jones. Sister Joon Moi has been a loyal employee of The Army for many years. She is incredibly committed in her work and takes the time to build a relationship with the residents under her care.

Our Home is situated at Jalan Bersatu, Jalapang in Ipoh, Perak. Since The Salvation Army took over operations of the Perak Home from the Sister of the Poor in 1994, we have continued to provide care, shelter and support to indigent elderlies until today. At our Perak Home, admission is open to those who need our help the most, irrespective of personal belief but the ethos and values of the home is Christian.

Our Home offers all residents a sense of dignity while enjoying maximum independence possible as we tend to their needs. Some of our residents spend their time sewing and crafting hand towels, chair covers, throw rugs and other assorted handicrafts. These beautiful handicrafts are available for sale and the funds generated help in the maintenance of the Home. Other activities held for the residents include; field trips, music and singing sessions and skill development classes.

Joyhaven Home for the Elderly

At present, Joyhaven provides care for 20 senior residents. Major Alice Koo is the appointed superintendent of Joyhaven and she has extensive experience with caring for elderly folks. Similar to our Perak Home, residents are encouraged to continue leading an active life. Many of our residents who are still strong and able, carry out activities such as gardening, attending church and visiting their friends. Every Thursday morning, Major Alice would bring the residents to visit Rumah Charis, Home for the Aged so that residents from both organisations can mingle and make friends. We believe that maintaining an active life is an important component of the health and well-being of our residents. Joyhaven is only able to take in a limited number of residents due to its limited space. Our priority is to also provide quality care to old folks who need it and Joyhaven is the kind of place where residents and caregivers can form a wholesome relationship.

Perak Home for the Aged

Joyhaven; our Home for the Elderly

Some of our residents are very good with their hands and past their time doing arts and craft

We encourage our beneficiaries to take up a hobby to keep their minds active and to bond with other residents

FAMILY THRIFT STORES

The Salvation Army has a total of four Family Thrift Stores (FTS) around Malaysia where we process donated items and retail those that are in good condition at affordable prices. Currently our FTS are located in Penang, Ipoh, Melaka and Kuching. Funds generated at our FTS act as income to sustain our mission to meet the many needs in Malaysia.

Donations can be made at all centres around each FTS in Malaysia and some stores provide collection services for larger items such as furniture, bicycles, electrical goods and the like.

Donate Items Today – Help Someone Tomorrow!

What can I donate?

The best things to donate are the things which you find are still in good condition but perhaps don't need or don't want to use anymore. The typical things which we receive are:

- Clothing
- Furniture
- Household goods
- Electronic devices
- Toys
- Books

What can't I donate?

As we have limited staff and volunteers to help us process and go through the donated items to ensure they are fit for use, please do not donate anything that is broken, damaged, torn, ripped, stained or in any way faulty.

As a simple rule; if there is something wrong with it, we cannot sell it.

Our Branches

Penang

Our FTS on Penang Island is located at Perak Plaza on Perak Road. Here, we collect and sell a large selection of goods at affordable prices. Like our other FTS in Malaysia, our store is open Mondays to Fridays and half-day on Saturdays.

Address: 56D 56E Perak Plaza, Jalan Perak, 10150 Penang
Telephone: 04 227 9369

Ipoh

Our Ipoh FTS sits in a traditional corner shop-lot at Tambun, Ipoh. This store has a wide range of thrift clothing. Granted, you may have to dig and sift through a lot but it may be worth it. It's hard to resist our deals on furniture and knick knacks!

Address: No. 26, Jalan Besar, Tambun, 31400 Ipoh, Perak
Telephone: 05 548 3314

Melaka

Our FTS branch in Melaka is located in Melaka Raya. The store collects goods donated at the Army's centre at Jalan Parameswara and raises funds for the work there and in Malaysia.

Address: 113-114 Ground Floor, TMR 24, Taman Melaka Raya, 75000 Melaka
Telephone: 06 282 5620

Kuching

Our FTS in Kuching located at Jalan Ang Cheng Ho is seeing its 25th year of operation. Our store is well-organised and very popular among the locals so our items do not sit around for too long. It is worth checking out our store here if you like to hunt for good bargains!

Address: No. 7 (Ground Floor), Jalan Petanak, 93100 Kuching, Sarawak
Telephone: 082 410 564

Note:

Our Salvation Army donation cabins in Petaling Jaya and Overseas Union Garden accepts donation of clothing, household items and small-medium furniture. However, at this point, we do not provide a collection service to collect donated goods in Kuala Lumpur.

OUR CORPS (CHURCHES)

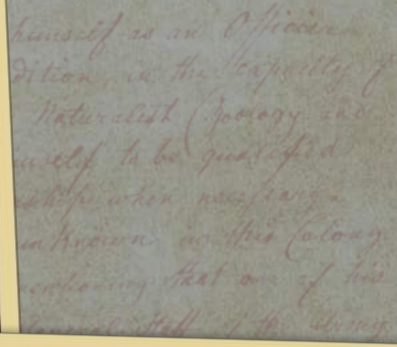

The Salvation Army is an integral part of the universal Christian Church and a registered charity: 'with a heart to God and hand to man'. It is motivated by a love for God and a practical concern for the needs of humanity. Apart from our social and community services arm, we also express our commitment by preaching the Gospel at our local Corps (churches).

The Salvation Army Corps are our grassroots community presence around the country, providing a diversity of spiritual, social and recreational activities. Our Corps hold weekly Sunday services in English, Chinese and Tamil in a relaxed atmosphere through various forms of worship. This includes the singing of traditional hymns and contemporary songs, the sharing of personal testimonies and prayers, as well as Bible readings.

Besides our services on Sundays, there are often weekday and evening activities such as prayer groups, family events, youth fellowship and small group meetings for men's and women's ministries.

We would be more than happy to have you join us for our Corps activities! Get in touch to find out what's happening at your local Corps.

LEAVING A LEGACY

Some people's legacies are written on monuments; yours can be written on lives. The Salvation Army is most grateful to donors like yourself who trust and give generously to support our work over the years. By including The Salvation Army in your Will, you can be assured that we can continue helping the needy for years to come.

There will always be people in need of assistance beyond your lifetime. You can choose to make a lasting contribution to The Salvation Army and help sustain our mission that began in England 1865; to give the most comprehensive care possible to people in need.

You may choose from varied giving options through your Will, insurance policies and annuities. Your gift, no matter how big or small, will help transform lives.

FREQUENTLY ASKED QUESTIONS

What does The Salvation Army do in Malaysia?

The Salvation Army meets the needs of the underprivileged and runs a wide range of community services. These include old folk's homes, children's homes, family support services, corps community services and emergency relief programmes.

The Salvation Army Corps (churches) also minister to people in three different languages (English, Chinese and Tamil).

Does The Salvation Army push religion onto people?

The Salvation Army is an evangelical organisation whose mission is to share the gospel of Jesus Christ. The "Heart to God" is the motivation for the "Hand to Man". The Army provides social services without any requirement that those being helped will join The Salvation Army. The Salvation Army is grounded in Faith but open to all. We serve everyone regardless of their belief. As such, we do not discriminate against the people we serve.

How is The Salvation Army funded?

The Salvation Army is supported through donations, government grants and programme fees. We run regular public appeals and organise fundraising events throughout the year.

Where does the money raised by donations go?

The Salvation Army makes every effort to ensure that public donations are effectively dispensed and reaches those in need. In fiscal year 2014, for every ringgit spent from the Social Fund, 81 sen was spent on our social programmes to help our beneficiaries.

Will money I donate go to support religious activities?

No. Money raised through donations only goes to support social service programmes. The Salvation Army's church activities are supported by the local church community.

When I make a donation to The Salvation Army can I specify that the money be used for a specific purpose?

Yes. It is possible to specify that your donation be us channeled for a specific use or centre operated by the Army. Unspecified donations allow the administrators of The Salvation Army Social Fund to use the money to meet the greatest needs of our diverse social programmes.

Can I donate via online transfer or direct bank-in rather than by cheque?

Yes, we have these options available to you. However, due to security reasons, our bank account details are not published in our appeal materials. If you wish to obtain this information for donation purposes, please contact our Public Relations Office at 03-8061 4929.
