Nationwide Food Parcel Efforts

Due to the number of daily wage workers who were unable to fend for themselves and their families during the Movement Control Order (MCO) since June 2021, The Salvation Army mobilised its local teams to assist communities in need.

Food parcels and hot meals were distributed to the B40 and migrant communities in these areas:

- Kuala Lumpur
- Selangor
- Banting
- Ipoh
- Melaka
- Batang Melaka
- Sungai Siput
- Ipoh
- Kuching
- Bintulu

The Salvation Army also partnered with several business entities, associations and individuals to distribute aid where it is needed the most.

As of 28th September 2021, more than 23,000 packs of food parcels and hot meals were distributed in these areas.

Emergency Relief Efforts in Kuching

A 22-door longhouse in Kampung Sekubang, Batu Kawa Lama, Kuching, housing 150 Iban residents was razed to the ground in a fire last August.

It was the only longhouse in the Kuching urban area.

The villagers were housed at a nearby secondary school and to assist them, The Salvation Army Kuching Corps Community Services visited them with contributions of pre-loved clothing, groceries, toiletries and hot meals and they will continue to be supported until their situation stabilises.

Working Together to Reduce Covid-19

As an NGO dedicated to changing lives, it was an honor to receive a donation of hand sanitisers from Dr Lam Weng Kai of the Malaysian Red Crescent.

With the donated hand sanitisers, we were able to distribute them to the communities we assist so they can do their part to keep Covid-19 at bay.

We believe by working together to help communities, we can keep everyone safe from the pandemic.
