## A Beacon of Hope in Sarawak

According to the Department of Statistics Malaysia, the state of Sarawak recorded 10.8% of its citizens living in absolute poverty in 2022.

Due to numerous reasons, these families may find it difficult to escape their dire situation, thus continuing the vicious cycle of poverty.

The Salvation Army Kuching Corps & Community Services has been visiting underserved communities in Kuching with food parcels and counselling.

The team also visited 10 households who had lost their homes to fire in the month of February.

Meanwhile, The Salvation Army Bintulu Corps & Community Services assisted 500 families (approximately 2,500 adults and children) with food parcel assistance and counselling with the help of MDS Mart Group of Companies when a devastating flood hit the town in February.

2. **Saberkas Swinburne Chapter** - CNY party for the residents of Kuching Children's Care Centre
3. **Kuching Love Book Association** - CNY party, angpows and fireworks for the residents of Kuching Children's Care Centre.
4. **Kuching Chinese General Chamber of Commerce & Industry** - Angpows and lunch packs for the residents of Kuching Children's Care Centre
5. **Pertubuhan Kebajikan Chuang Yi Sarawak** - Lunch, angpows and a lion dance for the residents of Kuching Children's Care Centre.
6. **Lion's Club Evergreen Ipoh** - Sponsored a hearing and health test and angpows to residents of Perak Home for the Aged.

There were also countless individuals who visited our residential homes during the CNY season and gave angpows and groceries to our residents. We thank them all for helping make CNY 2025 a great one.
