Joyhaven Reopens Its Doors to Serve the Elderly in Petaling Jaya

The Salvation Army Joyhaven Senior Care Centre opened its doors to members of the public for the first time on 23 January 2026. The event was marked by a soft launch that was conducted by top officers of The Salvation Army Singapore, Malaysia, Myanmar and Thailand Territory who included Territorial Commander Colonel Richard Borrett and Chief Secretary Lieutenant-Colonel Nigel Cross.

Between 2001 to 2017, Joyhaven operated in Petaling Jaya as a residential and daycare facility for senior citizens. Due to several reasons that included operational deficits, the difficult decision was made to close the facility.

As a newly renovated care centre with improved facilities, programmes, caretakers and personnel, Joyhaven provides extended or supplementary care and thus enabling elderly folks to be dropped off at its centre during the day while their children are away at work, and return to their own homes in the evening. Joyhaven also offers full-time accommodation for elderly individuals who require assistance with daily living activities in a comfortable, home-like setting.

Admission is now in progress. For more information, contact 03-79324929 (Joon Moi).
