Spotlight on Our Afterschool Programme

Our corps and community services centres in Banting, Bintulu, Kuching and Melaka provide afterschool care to primary school children from disadvantaged communities.

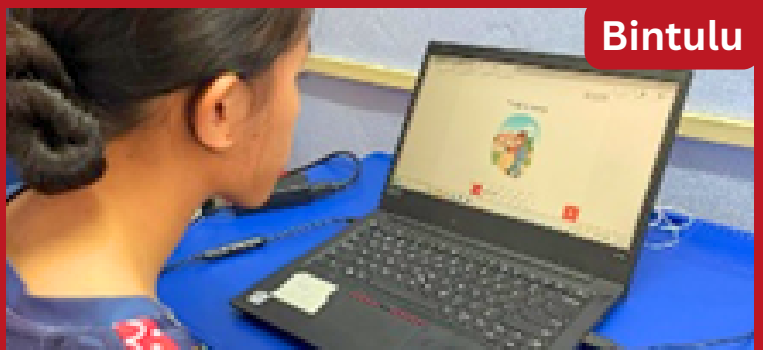

After school, the children are provided with meals, homework assistance and tuition classes until evening, when their parents get home after work.

The children now have a safe space to belong while their parents are away at work. Ultimately, we hope the children will be motivated to perform better academically and break the chain of poverty.

At the moment, there are about 40 children in Banting, 12 children in Bintulu, 20 children in Kuching, and 5 children in Melaka attending our afterschool programme.

More help is required to tutor the children and to ensure the children are given nutritious meals.

You can help us by donating directly to our afterschool programme - contact us to know more.

Going Green With The Salvation Army

The Salvation Army is believed to be one of the first organisations in the world to establish the thrift store concept on a commercial basis – we have been doing this since the 1890s!

The Family Thrift Stores receive donated items from individuals and also corporate companies to be resold at affordable prices. All profits generated are then channelled back to The Salvation Army to continue our mission to meet the needs of the community. Occasionally, donated items will be channelled directly to communities in need.

In the past three months, we have had several corporate companies that partnered with us to help divert unnecessary waste from our landfills.

NIQ donated 227 kgs of preloved clothing, books and household items

Running Lab ran a campaign to collect 264 cartons of preloved running sneakers from members of the public

Staff from NIQ volunteered to sort out books and other household items

Staff from Coca-Cola Malaysia donated gently-used clothing and household items

Open Day 2026

Each Salvation Army centre across the world bears its own responsibility to fundraise for its charitable projects, and in true Malaysia fashion, our local centres organises annual Open Day events that focus on what Malaysians love best - food!

All funds raised by the respective centres will remain in those areas to assist those in need through our various programmes. Do visit between **9am to 12pm** for a time of good food and great fun - and it's all for charity.
